Zoning: Staffing to Maximize Learning

Presentation

This PowerPoint presentation introduces zoning as a practice to effectively utilize staff and maximize learning. It provides video and other visual examples of zoning.

Script

This is a transcription of the narration that accompanies each PowerPoint slide.

Presenter's Notes

This guide for presenters provides further details, tips, and helpful information on using the slides and other materials for training.

Learning Activities

Three learning activities can be used to extend the training.

- Discussion Questions
- Classroom Map
- Staff Zoning Chart

Tips for Teachers

This tip sheet for teachers includes simple, straightforward suggestions that teachers can easily utilize in the classroom.

Tools for Supervisors

This observation tool was designed to assist supervisors in observing how teachers are using what was learned from the presentation in their classrooms. This guide can assist supervisors in providing teachers with feedback on their strengths and areas for improvement.

Helpful Resources

This is a list of additional resources for a teacher, supervisor, or Early Childhood Education Specialist who wants to learn more about the topic. The list includes easy-to-locate articles, books, websites, etc., with brief descriptions of each resource.

This document was prepared under Grant #90HC0002 for the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Head Start, by the National Center on Quality Teaching and Learning.
