## What Do Teachers Talk About Discussion Questions

**Directions:** Divide large group into smaller groups.

Groups discuss the following questions:

- What are some comments that can be made to another teacher about:
  - Children's interests
  - Instructional practices
  - Children's behaviors
- What questions can teachers ask each other about adaptations for children with special needs?
- What questions can teachers ask each other about adaptations for children with dual language needs?

Share ideas from small group conversations with large group.
