

The National Center on
Quality Teaching and Learning

Tools for Teachers
Collecting and Using Anecdotal Records

Directions: Post this classroom activity matrix to remind staff of the plan for recording observations. Write your schedule of activities down the side of the matrix. Write the names of children being observed across the top.

If your matrix has been laminated, use an erasable marker to write what to observe in the correct cells. Sticky notes may also be placed in the cells.

What to Record Today:

Classroom Schedule:						

This document was prepared under Grant #90HC0002 for the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Head Start, by the National Center on Quality Teaching and Learning.
